acceptance as a*

- \* Whole Health Coach
  - \* Whole Health Educator or
  - \* Whole Health Advocate
- in the Healthways, Inc.  
national provider network

***Healthways is ranked one of the 2008 FORTUNE 100 Best Companies to work for!***

As a company on the national forefront of disease management and prevention, Healthways, Inc., has helped major health plans, employer groups and government agencies save an estimated \$3 billion in healthcare costs in the past ten years.

Healthways' comprehensive programs equip consumers with a true total population health management solution. Healthways, Inc. delivers world-class interventions by phone, Web, mail, and in-person. This broad approach helps the well to maintain their successful path, the at-risk to be empowered to better manage their health and the chronically ill to manage their conditions.
